Welcome to the World of ABCs!

Hi there, little artist!

Are you ready to go on a colorful adventure?
 This book is all about learning your ABCs while having fun with your crayons, markers, or colored pencils.

Each letter of the alphabet comes with a picture for you to color. From "A" for apple to "Z" for zebra, you'll discover exciting words and pictures on every page!

Coloring helps you learn, explore your creativity, and even practice staying inside the lines (but it's okay if you don't—your art is always amazing!).

So, grab your favorite colors, and let's make this book your own special masterpiece!
Happy coloring!  

Iryna Berdychewska,

Colouring book

You can use this colouring book to help children learn new words in a fun way and improve their English. It includes many of the words children might see in their test.

The words have been selected from the Cambridge English: Young Learners Word List.
